Part of the stewardship of the resources God has given us, is that of our time. As Catholics, we receive formation in our faith in our families growing up or in the Catholic schools or faith formations that we attended as kids. As adults, however, we are responsible for learning more about our faith on our own time. A wonderful resource to cultivate this formation is Formed.org. All parishioners of Sacred Heart are eligible to sign up for a free account on this fantastic website. Please take advantage of this free resource, and give a little more of your time to study your faith and live it out each day.

St. Damien of Molokai | Catholic Saints

St. Damien was born in Belgium but spent most of his life ministering to lepers in Molokai, Hawaii. An incredible example of holiness, he dedicated his whole life to spreading the Gospel. Sit down with Dr. James Prothro and Mary McGeehan as they discuss the life and witness of this great saint.

The Sanctuary Youth Series

The Sanctuary Youth Series is centered on the pressing questions that young people are asking about faith and mental health. It provides space to engage these questions and start important conversations in youth ministries and church communities. Drawing on insights from mental health professionals, theologians, and evidence-based research, this educational and interactive course is designed to reduce stigma, increase awareness, and prepare students for a faith journey that includes seasons of flourishing and languishing.

The Sanctuary Course for Catholics | Trailer

This eight-session course—designed for use in small groups—explores the realities of mental health and illness, as well as the vital need for faith-based community conversations about these topics. The sessions are accompanied by compelling films that feature the stories of Catholics living with mental health challenges, along with the insights of archbishops, theologians, and psychologists.

May Crowning

Last Sunday at the 9:30 Mass, two of our school children honored the Blessed Mother with a beautiful crown of flowers to commemorate the month of May, dedicated to Mary, in the traditional May Crowning. Also, at that Mass, little Olivia received the sacrament of Baptism. She is pictured here along with her family, including her cousins and godparents, Ella and Luke. Congratulations to Olivia's family and to all of our 2nd Grade children and their families, who reenacted the May Crowning at the School Mass this Wednesday. Through the intercession of the Blessed Mother, let us experience the joy of Christ's Resurrection this month and always!

Give One Day a Week, Make a Lifetime of a Difference

Too many of our county's elderly suffer from loneliness and poor nutrition. Be a part of the solution by delivering food and friendship to older adults in your neighborhood. **You can join us by completing an application on the volunteer page at Neighborly.org.**

Social isolation and hunger can lead to severe health risks, including a higher likelihood of dementia, heart disease, and stroke, along with mental health issues like depression and anxiety. Neighborly Meals on Wheels volunteers deliver more than nutritious meals; they deliver the smiles and hope that improve lives. You'll deliver to a handful of folks from a site near you. It only takes one to two hours once a week, every other week, or once a month, at lunchtime to make a huge difference.

For more information, visit Neighborly.org or go directly to our application at www.volgistics.com/appform/230724921
