Every Catholic Should Be Registered in a Parish

Beside the active support and involvement that the registration enables, the parish registration is also a mandatory condition for sacraments such as baptism and matrimony. It is therefore important to register at our parish as soon as you start attending Mass here regularly. Here's why:

- You may receive verification letters to sponsor individuals for sacraments, receive sacraments yourself or your child (i.e. baptism, confirmation, matrimony)
- You will have the opportunity to establish easy online giving or sign up to receive offertory envelopes to support the parish mission and receive end of year tax contribution statements
- You will receive important communications from the parish that non-registered parishioners won't receive
- The parish will know the demographics and respond to needs. Further, the Diocese will know that our parish has a healthy base of registered, active parishioners.

Please visit our website www.sacredheartpinellaspark.com to register or visit our gift shop to obtain a paper copy of the registration form.

Online Giving

Summer sunshine offers us time and opportunities for spiritual building. That is why our church offers Online Giving as an additional option to support our ongoing mission and ministries. Our church is a spiritual home for all of us which relies on our time, talent and treasure to fulfill that mission.

Online Giving helps support our church by allowing you to make donations, payments, and pledges via your mobile phone, smart device, or computer to our church.
