

Sacred Heart Church

September 15, 1989

Dear

One of the pastoral directives from Vatican Council II was the admonition that each parish establish a Parish Advisory Board. For the past six months I have been mulling over the idea about what would be feasible for Sacred Heart Parish. I would like to establish an Executive Council; it would consist of the Chairperson of every Committee in the parish. They would be advisory to the Pastor and his staff. Thus far we would have a Committee of fifteen people.

As the Chairperson of _____ in our Parish I would like you to attend our first meeting which will be held in the Parish Center on October 26, 1989 from 7:00 PM to 9:00 PM. An agenda will follow.

Your primary function will be to communicate to the group what your Committee is doing, going to do and what recommendations your group would like to make to parish. You will have five to seven minutes to make your presentation.

Future meeting dates you may like to keep in mind are:

February 1, 1990 - 7:00 PM Parish Center
May 24, 1990 - 7:00 PM Parish Center

Sincerely in Christ,

Father Robert P. McGuire,
Pastor

P.S. If you are unable to attend, please send a representative.
