Father Tobin's Farewell

The reception was great and Father Tobin was thrilled. The parishioners had the opportunity to wish him well and we were able to include everyone.

Thank you again to ALL who helped with setting up, serving, witnessing, etc. It was a great parish effort.

Father Tobin's surgery is May 8th. He will remain in our prayers for a successful treatment.

Father Scott will be joining us full time in July. In the meantime, two others priests will be helping Father Anthony. They will be able to handle sick calls. Father may consider two morning Masses again once Father Scott is here.

Easter Suggestions – 2014

We are considering changing the Masses to 8AM – 10 AM – 12 NOON for next year. This would help with the congestion after each of the Masses both in church and the parking lot. It would have to be extensively advertised throughout Lent. We also discussed a "Sunrise" Mass at 6:30 AM.

Easter egg hunt - Leona told us there is a company that will fill all the eggs and will do it for a reasonable price! She will get the info to Kim

It was suggested we only serve coffee and donuts on Easter Sunday. Breakfast was too much and not a lot of participation.

Miscellaneous

A young parishioner, Maria Thurber, has received the Gates Millennium Award and will be in a future bulletin.
